iUniverse, United States, 2006. Paperback. Book Condition: New. 223 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.I was born and raised in the time of the hippies and free love. Elvis, The Beatles, The Mamas and The Papas, and The Supremes were the rage of many. I witnessed the assassination of President Kennedy and the first moon landing. On television, I Love Lucy, Ed Sullivan, The Honeymooners, and movies like King Kong and Tarzan were showing. So why would a young boy named Michael, born in 1951, who was abandoned to a Children s Home at 3 years of age, and was sexually abused get a sex change at 18 to become Michelle, sow her wild oats for 10 years as a stripper and prostitute, and decide to return to Michael at 29 years old once again. Travel along with me as I relive my experiences with you, including all the highs and lows of my life. Come share with me in my memories, have some laughs, and at the same time shed a few tears. These are my memories.
