Brand New Book ***** Print on Demand *****.Excerpt from Notes on the Sea Fisheries and Fishing Population of the United Kingdom: Arising From Information and Experience Gained During Three Years Command of the Naval Reserves This account, though very imperfect, may also perhaps be of service to those quite unacquainted with the subject, when inspecting all the appliances for the capture of fish which are exhibited in this splendid range of buildings. My paper has thus become much larger than I intended; I have therefore divided it into two parts, the first of which, relating more particularly to the fishing population, I will now read. In dealing with the enormous mass of statistical information which has been furnished to me from different points on the coast, I have often felt the great disadvantage of want of experience in work of this kind; but I have in this paper attempted to furnish you with an idea of the great importance to the nation of the prosperity of our fishing industry. It appeared to me that, to arrive at a just appreciation of this importance, you...
