An asexual is someone who does not experience sexual attraction. Unlike celibacy, which people choose, asexuality is an intrinsic part of who we are. (This is an anthology of 17 true stories by real people about asexuality -- the invisible orientation that everyone's heard of, but few actually talk about or understand. Growing Up -Phil Dalton offers a series of vignettes stretching over 30 years, from his childhood to the present day, about his attempts to fit into a sexual society. Coming Out -Melissa Keller explains why she has chosen not to come out to her friends and family, and explores the struggles that many asexual people face when coming out.
