At a stunning size of 12 x 14 (30.5cm x 35.5cm), and with full spread images spanning 24 in width, this first book of a new fiction series will open the doors to a parallel history of racing. Daniel Simon designed for Bugatti, Lotus, Formula 1 and penned unforgettable vehicles for Hollywood movies like Tron: Legacy or Oblivion. This is his second book after Cosmic Motors. Simon will present in this series over the next years fictitious racing machines at impeccable detail up to 50 megapixel, including vehicle specs and maps of the tracks they raced on. All vehicles and characters are explained through the carefully written story of racer Vic Cooper, who time-travels to the past and the future to compete in the most challenging motor races between 1916 and 2615. This is episode 1, the year 2027, written in English, French and German. Top Gear magazine says on the back cover: After Cosmic Motors and his...
