1960s Britain

By Susan Cohen

Shire Publications Ltd. Paperback. Book Condition: new. BRAND NEW, 1960s Britain, Susan Cohen, The 1960s was a defining decade for Great Britain. With the uncertainty and hardships of the Second World War finally put to rest, a new spirit of optimism swept the nation, and Labour's promise of 'the ending of economic privilege, the abolition of poverty in the midst of plenty and the creation of real equality of opportunity' heralded unprecedented social and cultural changes. With these changes came a new sense of permissiveness and cultural liberation among the 'baby boomer' generation, counterculture and fashion icons such as The Beatles, Mary Quant and Biba, and new design and technology that transformed virtually every sphere of everyday life. Punctuated with personal recollections, Susan Cohen's fully illustrated account of life in the 1960s explores the impact of these political and cultural trends on the ordinary people of Britain.

Reviews

Definitely among the best book I have got possibly study. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Olga Ledner MD**

Complete guide for publication enthusiasts. I have read and i am sure that i will going to study again once again in the future. Your way of life period will be transform once you total looking over this publication.
