

## Feodor Rojankovsky: The Children s Books and Other Illustration Art (Hardback)

Filesize: 8.03 MB

### ***Reviews***

*Very helpful for all class of people. Sure, it is actually play, nonetheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.*  
(Carole McClure)

## FEODOR ROJANKOVSKY: THE CHILDREN S BOOKS AND OTHER ILLUSTRATION ART (HARDBACK)

Wood Stork Press, United States, 2014. Hardback. Book Condition: New. 231 x 157 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Feodor Rojankovsky: a biography catalogue raisonne The first and only book on the career and illustration art of Feodor Rojankovsky (1891-1970), the prolific Russian-American children s artist and one of the most interesting personalities among modern children s illustrators. The full view of his work reflects the sweep of his adventurous and cosmopolitan life. The book brings to light little-known aspects of the artist s life, career, and work and should serve as the standard international reference work and collector s guide for this popular illustrator. More than half of his books were illustrated after 1941, when in mid-career Rojankovsky emigrated to the United States from France and made the picture books for which Americans know him best. In 1956, Rojankovsky was winner of the prestigious Caldecott Medal for illustrating John Langstaff s (Harcourt Brace, 1955), a book still in print. The artist s early reputation as a children s illustrator was made in France in the 1930s, where today he is as well known and celebrated as in the United States. In addition to mainly children s-book illustrations, Feodor Rojankovsky throughout his long career steadily produced for grown-ups graphic art of nearly every kind, which was published in Europe and the United States: magazine covers and drawings, books, book covers and jackets, catalog covers and brochures, picture calendars, magazine advertisements, travel and event posters, scenic postcards and Christmas greeting cards. Part I is a biography of the artist s life. The remainder of the book is a catalogue raisonne of his published work?-Part II, the children s illustrations, and Part III, the various graphic art for adults. The hardcover book is not illustrated. An e-book...
