Reviews

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

BITTER COLD

Createspace, United States, 2013. Paperback. Book Condition: New. Krystle Wright (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Not only does Wright excel at character building, but has a raw talent for perfectly meshing his environments to pull a reader into his world. I could see this book developing into a movie much along the lines of the Blob or the Fog. EPIC THRILLER. -- Kim Heimbuch Journalist April Murray always went after her stories with the tenacity of a pit-bull, only she never thought she d be covering her own demise. Braving a winter storm, in a sleepy Oregon town, she investigates a possible radiation leak at a defunct nuclear plant. What starts as a routine assignment takes an ominous turn when a boy is attacked by a lethal and mysterious predator that lurks in the snow, turning it black as night. With the help of a local handyman and his son, April finds herself in a battle for her life, and soon discovers the ravenous creature living in the frost isn t the only one who wants her dead. BITTER COLD. Don t go into the snow.
