Reviews

The publication is great and fantastic. It is probably the most remarkable book i actually have read through. Its been printed in an exceedingly easy way and it is merely right after i finished reading through this publication where in fact altered me, modify the way i think.

Not illustrated. 1891 Excerpt: .but any excess in this direction will prove injurious. Any violent exertion, such as running, ascending steps rapidly, straining at stool, etc., should be avoided. The patient must have his temper and passions under the most perfect control. Much medicine is, as a rule, unnecessary until the hypertrophy ceases to compensate for the existing trouble. Then the time for medication has arrived. First, the constitution must be attended to and the feruginous preparations are indicated in a large majority of cases. The tincture of the chloride of iron serves the purpose admirably although my favorite prescription is the combination of iron, quinine and strychnine, either in the form of the elixir or capsule. The treatment directed to the heart itself may now be considered, and medicines for the relief of cardiac pain, regulation of the movement of the heart, stimulating or quieting the heart s action come under this head. The drug naturally appearing first on this list is digitalis. The administration of this remedy, causing a regulation as well as an increase of force in the cardiac movements, is one of the most valuable drugs we have in the treatment of cardiac affections. It is always indicated in regurgitant lesions, seldom necessary in aortic stenosis, and never to be administered in mitral stenosis except when symptoms of cardiac failure present themselves. I am in the habit of administering this drug in the form of the tincture, in doses of ten drops, given every three or...
