The vessel, now left to herself, was driven with great force against the northern bridge connecting the great landing stage with the Princes Dock wall. Her bowsprit penetrated the outer casing of the bridge, and the rolling of the vessel seriously injured the wrought-iron cross girders which support the roadway, as well as the planking. One of the enormous chains which support the mooring of the stage was snapped asunder. After considerable difficulty, the vessel was towed away, and taken into dock, though in a terribly battered condition. The Abbey Bells of Bath. The citizens of Bath are much concerned at an accident which has befallen the fine old tenor bell of the Abbey church (which woighs 38 cwt, and is about five feet in diameter at the base). The bell has long been celebrated for its rich, mellow tones; but soon after the ringers commenced practice on the day of the accident it gave forth an unusual sound, and upon careful examination, a crack, extending seven or eight inches from the bottom, was discovered. The bell in question was originally presented by Lady Hopton in the early part of the 17th century; but was recast in 1700. About seventy years later it was disabled, and to such an extent that it was feared remoulding would be necessary. The crown of the bell was unfortunately broken off, and the bell remained useless for some time. At length Mr....
