STEALTH PLANET

Sparkling Press, 2007. Trade Paperback. Book Condition: New. First - First Edition. 0976356554 David Striker's random discovery of a hidden planet changes his life and unites the world. The human desire to explore leads the international space community to dedicate countless resources and untested technologies to reaching the Stealth Planet instead of pursuing the relatively safe journey to Mars. Striker, an astronaut with a dream and a desk job, along with his partner, Margie Ritter, push each other and develop...

Reviews

This written publication is wonderful. It really is simplified but unexpected situations inside the fifty percent in the pdf. You will not truly feel monotony at at any moment of the time (that's what catalogues are for about in the event you request me).

-- **Dr. Jamar Willms**

This publication will be worth purchasing. It is written in straightforward words and not hard to understand. I am just very happy to explain how here is the best ebook we have read in my own lifestyle and might be the best publication for at any time.

-- **Devante Mante**

This is the greatest book I have read through till now. It usually fails to charge excessive. You can expect to like how the blogger publishes this ebook.
