Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE SOUND OF COLOR: A POETIC BLEND OF MUSIC AND ART FOR YOUNG READERS.

AUTHORHOUSE, United States, 2006. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Sound of Color was created while the author, Andrea Parris, was studying music and art for early childhood and education. I believe it is very important to make reading material available in a variety of styles for young readers. I also believe it is equally important that the material is applicable to children of every race, creed and color. - Andrea Parris The Sound of Color has an educational component that pertains to color and music fundamentals. It also stirs the imagination of its readers as they enter a fictional world without these creative outlets. Children worldwide will enjoy this short story s captivating tale.
