Seminar paper from the year 2013 in the subject English Language and Literature Studies - Comparative Literature, grade: 2, 0, University of Dusseldorf Heinrich Heine (American Studies), course: The Virus as Political Metaphor in 20th Century American Literature and Film, language: English, abstract: It is difficult to imagine our world without monsters. Also referring to Cohens first thesis The Monsters Body Is A Cultural Body we will examine how monsters are born into society and how they keep on living within the frames of cultural, political and social relations. Afterwards we will apply Cohens thesis to Richard Mathesons I Am Legend, a Science Fiction and horror novel,...
