Well, this a story about a planet that sent memory collectors throughout its reachable universe to do just that. In a sense this short story long on thought gives you a chance to be a fly privy to an imagined story that could possibly be real. In any case, it is a story for a person with a lot of imagination along with a deep desire to reflect on the subtle and obvious messages derived from more than a casual reading. However, this story could also be read just for entertainment to get away from the troubles of this planet, but be prepared to find yourself enmeshed in the troubles of planet Nornilbmar. Hopefully, your return to this planet will put you in a better place than when you left. I think very likely that that is the wish of any author who shares a story with the world. At any rate I hope you have a good time while you are in a different world than this one. I have to say sorry in advance. Occasionally I come back to this world; that s the nature of this story. Your other worldly experience will include tying our fate to the inhabitants of a different planet who wish to learn from us and want us to learn from them. There are alliances, plots and plans and twists of fate as the story progresses through the discoveries of and by the memory collectors from planet Nornilbmar in a star system far away. Finding ancient wisdom and waking up the masses for a better future are the goals of...
