Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

PITMATIC: THE TALK OF THE NORTH EAST COALFIELD

McNidder & Grace. Paperback. Book Condition: new. BRAND NEW, Pitmatic: The Talk of the North East Coalfield, Bill Griffiths, More than just a gathering of mining terms, this collection is an heartfelt attempt to bring together the words spoken by miners of the North East pits and how they relate to the wider language world of the region and its literature of story and song. It brings together the pit literature--its words, jokes, stories and songs--that is fast disappearing and helps attest to the remarkable vitality of the region's dialect as well as the inventiveness of its speakers.
