Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Those novels, with more than 50 million copies sold, presented a unique combination of suspense and substance drawn from his lifelong study of Biblical prophecy. Now Tim LaHaye has created a new series that begins with Babylon Rising. The novels in this new series are even faster-paced thrillers based on prophecies that are not covered in the Left Behind books and that have great relevance to the events of today. Babylon Rising introduces a terrific new hero for our time. Michael Murphy is a scholar of Biblical prophecy, but not the sedate and tweedy kind. Murphy is a field archaeologist who defies danger to fearlessly hunt down and authenticate ancient artifacts from Biblical times. His latest discovery is his most amazing but it will send him hurtling from a life of excavation and revelations to a confrontation with the forces of the greatest evil. For the latest secret uncovered by Michael Murphy accelerates the countdown to the time of the end for all mankind.
