Executive Office of the President, 2009 OCLC Number: (OCoLC)607091180 Subject: Manufacturing industries -- United States. Excerpt: . . . seeking nearly 200 billion over ten years in Pell grant scholarships and tax credits for colleges. Create a New College Access and Completion Fund. In his 2010 Budget proposal, President Obama included a five-year, 2.5 billion fund to build federal-state-local partnerships aimed at improving college access and completion, particularly for individuals from disadvantaged backgrounds. These funds would be used to evaluate programs aimed at increasing college enrollment and graduation and to grow and bring to scale programs that are proven to be successful. Early Childhood and K-12 Education Improve Americas math and science education. To create a competitive manufacturing workforce we must improve Americans math and science education. The Recovery Act provided funds to be used as a down payment toward the goal of tripling the annual number of the National Science Foundations (NSFs) Graduate Research Fellowships. The President has also proposed more funding for NSFs Advanced Technological Education Program, which focuses on two year colleges...
