THE WORLD LEADERS AND HOMOSEXUALITY LEGALISATION, THE SECRET BEHIND - VOLUME 1

Tate Publishing Company, United States, 2015. Paperback. Book Condition: New. 175 x 127 mm. Language: English Brand New Book. A little closer to a decade, Homosexuality (gay and lesbianism) has become a very debatable issue among nations, religions, organisational bodies, families, tribes and many others. This is a very social phenomenon which needs to be addressed with careful and logical reasoning in order not to offend anyone, whichever stand the discussion takes. One cannot just get up to condemn a social issue without thorough analysis. A person must analyse issues psychologically, physically, spiritually, religiously, emotionally, as well as culturally and ethnically. There are some secrets behind the legalisation of gay and lesbian marriage by some world leaders, organisations, some churches or individual pastors, and other religious bodies. The advocators often refer from the Bible Judge not, that ye be not judged - in other words do not judge your fellow friend . This is very interesting quote from the Bible that needs deep thoughts. Human rights and freedom of speech and expressions are also used in defence of homosexuality. Are all things right to do or not? Can immoralities be considered the rights of those in it? Should the judiciary system be abolish or allow to exists? What are the essences of cultural, moral, social, and religious values in a society? This book outlines the key secrets behind the advocacy and legalisation (or acceptance) of gay and lesbian marriage and other social needs which may be considered social problems.
