Reviews

*It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

BRENDA MONK IS FUNNY

Cornerstone. Paperback. Book Condition: new. BRAND NEW, Brenda Monk is Funny, Katy Brand, Brenda Monk is a true stand-up, by her very nature - it is under her skin; itching and bubbling. She is addicted to the feeling of being on stage, looking out at expectant, up-turned mouths, waiting for the first laugh to hit. A first laugh that will not happen unless she creates it. But Brenda is clueless. The on-off girlfriend of a prolific comedian, it is only after she realises his best stage material consists of recycled versions of her own restless, smart-arsed energy that she begins to wonder whether she might be better off keeping her jokes for herself - and so she finds herself making her very first walk to the mark on stage in front of a bare brick wall, with just a spotlight and a PA system for cover, wondering what we all wonder from time to time: am I funny? A book as much about the thrill of performance as it is about what goes on when the microphone is switched off, Brenda Monk is Funny is a blackly humourous and devastatingly candid snapshot of the reality, the brutality and fragility of the comedy industry from an exciting new voice in fiction.
