THE DREAM CHANNEL

Xlibris Corporation, United States, 2009. Paperback. Book Condition: New. 224 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.The pursuit of happiness! We have different perceptions of what that means - among ourselves, and within ourselves - as we experience myriad events (joyous or otherwise) such as - activities, relationships, activities, learning, challenges, contentions, problems. Whether we automatically think of it or not, each of those events contributes (positively or negatively) to our mental, physical, psychological and spiritual development; for being happy is good, but being happy as we develop is satisfyingly sublime. This book, The Dream Channel is designed to itemize and explain various aspects of the twenty-four Tools of Living we all have in common, yet that we, as individuals, are constantly treating subjectively in agreement with our differing (sometimes unstable) needs, desires, emotions, and values. The Supreme Being has loaned us these tools, and, through His gift of dreams, urges us to utilize these taken-for-granted tools so as to allow us the mental, physical, psychological, and spiritual development of sublime happiness. Here are 12 of the 24 primary tools, including examples of the associated auxiliary tools that are utilized in dreams: Resources - book, vehicle, money Space - interior and exterior Senses - sound, taste, touch, smell Illumination - light, darkness, color Order - clean, repair, tailor, reproduce Motion - walk, ride, drive, fly, fall Vegetation - soil, dust, lawn Climate - heat, cold, thunder Communication - thought, speech, gestures Intimacy - sexual activity, pregnancy, marriage Anatomy - people, hand, face, infant, health Garment - wearing apparel, nakedness Yes, these tools (over 160) are used in dreams; dramas meant for one individual only - private and personal dramas. Specifically, each dream molds and relates to matters of your life in harmony...
