## THE BLIND MAN SEES WHAT THE MUTE MAN TELLS

AUTHORHOUSE, United States, 2012. Paperback. Book Condition: New. 198 x 124 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Welcome to this journey of poetic expression. To give you a bit of background on myself, I have been writing poetry since I was a child and this book is a compilation of reflections, experiences, and people I have encountered throughout my life. Some poems are based on my impressions, some based on personal experience, and some are purely fictional based on passing strangers and imagining their stories. The main tenet of my writing is to give a new perspective to emotions we all share and to open the reader s mind to see things in a different light. I hope you enjoy reading these poems as much as I have enjoyed writing them.
