L.A. psychologist-detective Alex Delaware has received a strange, anonymous package in the mail. Inside is an album filled with gruesome crime-scene photos. When his old friend and colleague, homicide detective Milo Sturgis, views the compendium of death, he is immediately shaken by one of the images: a young woman tortured, strangled, and dumped near a freeway ramp. The murder was one of Milo's first cases as a rookie homicide cop: a vicious killing that he failed to solve and has haunted him ever since. Now, two decades later, someone has chosen to stir up the past. As Alex and Milo set out to uncover what really happened twenty years ago, their relentless investigation reaches deep into L.A.'s nerve centers of power and wealth past and present. While peeling back layer after layer of ugly secrets, they discover that the murder of one forgotten girl has chilling ramifications that extend far beyond the tragic loss of a single life.

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
