- This is a short, general course designed to take adult beginners to pre-intermediate level. Consisting of 16 four-page units, it is intended to be of use to those wanting rapid results. A strong work orientation is used. Characters are shown in a variety of jobs and work situations, making learning relevant to the students' own lives. Worldwide characters and situations give an international feel and should help prepare students for real-life situations. An optional review unit at the beginning of the course can be used to bring students up to a similar level, alert the teacher to any problems, and boost students' confidence. Students can then study alone with the help of a detailed contents map, which includes useful phrases and vocabulary. Key grammar points are introduced gradually, and are focused and re-focused on as the course develops, consolidating students' understanding. 96 pp. Englisch.
