The subjects of this combined examination will be substantially the same as those of the former clerk examination, the test on the construction of sentences, however, being omitted; they will be: orthography, penmanship, copying, letter-writing and arithmetic. No application for the clerk-copyist examination will be received from persons whose legal residence is in any of the following named States or Territories: Arizona, Colorado, Connecticut, Delaware, District of Columbia, Florida, Idaho, Maryland, Massachusetts, Montana, Nevada, New Hampshire, North Dakota, Rhode Island, Vermont, Virginia, or Wyoming. These have already received an excess of appointments, and also have a large number of eligibles on the registers of the Commission; applications will, however, be received from their residents for any other than the clerk-copyist examination. No examinations at all are...

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

-- Mr. Grant Stanton PhD

A whole new eBook with an all new standpoint. It is actually rally fascinating through reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).
