This book has been created to provide targeted practice exercises for the two common core language skills most requested by teachers and most troublesome for many students. These are understanding similes and metaphors, and recognizing and explaining the meaning of idioms, adages, and proverbs. The student will focus on these key language skills by completing sets of focused exercises that increase from easy, to moderate, and then to advanced. This leveled and focused approach will introduce students at a comfortable level and then build on the skills so that students reach and then exceed grade level expectations. Covers 10 Common Core Skills - produces a thorough understanding of idioms - encourages students to understand and relate to adages and proverbs - develops the ability to understand and use similes and metaphors - provides practice recognizing the meaning of common phrases - introduces exaggeration and hyperbole - teaches students to use context to determine meaning - helps students understand the literal and nonliteral meanings of words - increases vocabulary and enhances knowledge of word meanings - develops writing skills including persuasive, descriptive,...

### Reviews

*Basically no terms to clarify. It is actually written in basic terms rather than confusing. I found out this ebook from my dad and I suggested this book to find out.*
