TEN POEMS ABOUT BABIES

Candlestick Press, United Kingdom, 2015. Pamphlet. Book Condition: New. 210 x 140 mm. Language: English . Brand New Book. Candlestick Press offers completely unique and beautiful poetry chapbooks, which can to be given instead of a greeting card. The chapbooks are designed and printed in the UK on high quality, tactile paper and are packaged with a bookmark left blank for your message as well as an envelope. People need only a stamp to send these lovely gifts on their way. The chapbooks are delightful and intellectually gratifying. They are objects of beauty and offer poems that are worthwhile, profound, and exhilarating to read. There are a lot of wonderful poems about babies. When choosing her most loved ten poems about babies, poet Imtiaz Dharker s wish-list was many times too long. In the end, she chose the ten poems I kept coming back to, perhaps because something in them triggered a memory of that exact baby smell, the weight of the head on the chest, the exhaustion and wonder that surrounds such a coming.
