In Chinese history, the Qing Dynasty is a special dynasty, is special because it's brilliant and lonely in the same, and throughout. Qing Dynasty from struggle to success, from struggling to reflect on, from narcissistic to face the reality, among the long years, it sometimes vigorous flying, sometimes circuitous back and forth, sometimes faltering through 268 years of history. In the past 268 years, it has been contradictory: the splendor of the Kangxi and Qianlong, has been for the people of the town, which is the reign of self-improvement, hard struggling, but it also entangled in full. Han repulsion blending, had left head without leaving hair, leaving hair without leaving head painful past; the zero cut the throes of bullying still dense lingers, external forces, internal forces stirring lonely, but it also never given up efforts, this effort has a lot of fetters and shackles. Is the various contradictions in...
