

Exploring Infinity

By Stephen Janusz

Books On Demand. Paperback. Book Condition: New. Paperback. 58 pages. Dimensions: 8.1in. x 5.7in. x 0.4in. We have discussed the concepts of eternity, evil, time, witchcraft, evolution, spirits, science and religion. The only conclusion is what we previously said of Aristotle, Greek philosopher, hundreds of years B. C. : The only thing I know is that I don't know. We would only hope that what another greater Thinker once said, is true, that there is the existence of an eternal reward in Nirvana, Heaven, or after-life. In this earth, the Alpha and the Omega are shielded from our eyes, perhaps for our own good. Maybe our life is a kind of a training film, or as a proving grounds, to test our good from our unworthy traits. Many stories are told about people who have almost passed to the other side, and come back to relate what they have seen. These people have no collusion, but all have a common thread: a light, a tunnel, a great expectation. Let us hope that their faith can lead to our greatest desire, that the Being that gave us these longings has the charity to not let it all end here. History repeats...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
