Can an object really be cursed to give someone bad luck? There s only one way to find out. When a tattered, old tarot card falls out of Charlotte Torres s library book, she doesn t think much of it. It doesn t even bother her that there s a message written on the back: Pass this card along or you l be sorry! But when horrible things start happening--things that seem like bad luck, but frighten Charlotte the most--she begins to believe in the power of the card and its message. She wants to get rid of it, but she doesn t want to pass it along and doom someone else to its curse. Will she be able to figure out a way to destroy the card for good? Or will the card destroy her life first? This mystical tale of misfortune is rated a Level 4 on the Creep-o-Meter.
