By California Division of Engi Irrigation

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from California Irrigation District Laws This bulletin contains in complete form only those laws relating to California irrigation district organizations which come before the state engineer or the state bond certification commission for some part of their procedure. There are other statutes providing for additional forms of organization with which neither the state engineer nor bond certification commission has any official duties. Such statutes are briefly described herein but are not included. The extent to which the different forms of irrigation district laws have been utilized in the irrigation development of the state has made it desirable to assemble such acts together with their amendments in convenient published form. The number and importance of the changes made in these acts at each session of the legislature has made it essential to revise these publications following each session. This has been done, and the bulletins of this department containing these laws for past years are listed together with other bulletins of the department on the inside back cover of this publication. There are other acts relating to...
