Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from An Honest Dollar: The Basis of Prosperity 1. Present Importance of the Subject. - The diametrical opposition of the platforms adopted by the two great political parties of the United States at their recent conventions, upon the question of the national currency, places the monetary issue in the front line of battle for the presidential election of 1896. The American people are once more called before the judgment-seat of history, as they were in 1861. Those who understand the character of American citizens believe that nothing is necessary beyond a clear and truthful presentation of the facts and principles involved in this controversy, in order to secure a just and honorable settlement of the question, But it is evident that adequate comprehension of the momentous issues involved in the inflation of the national currency, and especially in a sudden change of the standard of value, is not to be acquired without serious and patient investigation on the part of every citizen. It is, therefore, of the highest importance that the essential elements of this great problem be so presented to the public mind that every man of intelligence and ordinary knowledge of arithmetic may form his own conclusions regarding the justice and expediency of the propositions put forward by the party platforms. The present sketch is intended to supply a brief and intelligible statement of the whole question at issue between the parties, without partisan bias, and with absolute fidelity to the facts. 2. The Nature and Uses of Money. - The exchange of commodities is essential to the existence of civilized life. Division of labor gives to all the great advantage of profiting by...
