## MARRIAGE: AN OWNERS MANUAL

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.We live in a day and age when nearly half of all marriages fail. Why? Where have we gone wrong? There are many sources of information about marriage and marital intimacy freely available throughout the Internet and in published material. Yet how much of it is based upon successful experience? How much of it is of good quality? How much of it is trash? In this book, I seek to explore some of the things that I have learned and practised across my own marriage of nearly thirty years. The things that I talk about in this book are things that work. They have worked in my own life, and, given the chance, they will work in yours as well. Do you want your marriage to succeed? Do you want your marriage to blossom to the greatest extent possible? Are you prepared to make whatever changes are necessary to make this happen? This book presents many practical thoughts and ideas to help you achieve the kind of marriage that you want to achieve. It points out things to aspire to and traps to avoid. It has the goal of helping you achieve the very best life of marriage that you can possibly achieve.
